Toronto's Third Annual Interactive Comedy Festival Returns from September 18-27

Toronto, June 3, 2014 – The third annual **JFL42** Festival, presented in association with Air Canada, is set to take over Toronto again this fall with its biggest and most star-studded lineup to date featuring eight headlining performances at the Sony Centre for the Performing Arts by **Seth Meyers, Lena Dunham, Nick Offerman, Amy Schumer, Joe Rogan, and Wanda Sykes**. Over one hundred additional shows will take place at various venues across the city from **September 18 – 27, 2014**. Festival passes go on-sale Friday, June 6 at 11:00am.

JFL42 is a pass-based interactive comedy Festival created by Just For Laughs. Pass holders are given the opportunity to see their chosen headliner plus all the 42 Festival acts over 10 days along with the freedom to create their own schedule and experience. In turn, the demand created by pass holders for each of the Festival acts dictates how many shows they will perform and in what size venue. It's all processed through JFL42's custom online reservation system and Festival App.

This year's headlining performers are as follows:

- **Seth Meyers** (September 27 at 7:00pm and 10:00pm): The host of NBC's *Late Night* and former *SNL* star comes to Toronto with a headline stand up set filled with his trademark wit and unbelievable charm. These performances will be his first in Toronto after hosting the Emmy's this coming August and since being named one of TIME's "100 Most Influential People in the World" for 2014.
- **Lena Dunham** (September 20 at 7:00pm): This is the exclusive opportunity to hear from the star and creator of HBO's *Girls* — including a Q&A and special reading from her upcoming collection of essays *Not That Kind of Girl: A Young Woman Tells You What She's "Learned"* before it hits bookshelves.
- **Amy Schumer** (September 19 at 7:00pm): Schumer has quickly become one of the top-touring comedians working today with her shows selling out across North America. She is the creator,

- **Nick Offerman** (September 20 at 10:00pm): Known as Ron Swanson on NBC's *Parks and Recreation*, Offerman has been in feature films such as *We're The Millers*, *21 Jump Street* and will be back for the sequel *22 Jump Street* this summer. He also has a great moustache...
- **Joe Rogan** (September 26 at 10:00pm): A stand-up comedian for more than 20 years, UFC personality and former *Fear Factor* host, Joe Rogan has no trouble selling out theatres internationally.
