

Amazon Sets Friday, November 30 Premiere Date for *Inside Jokes*, Just for Laughs Festival Docuseries, Exclusively for Prime Video

Amazon today announced that docuseries *Inside Jokes* will premiere on Friday, November 30, exclusively on Prime Video for customers in the U.S., U.K., Canada, Australia and New Zealand. The six-episode series follows up-and-coming comedians in New York and Los Angeles as they pursue their dream of being selected for the prestigious Montreal Just for Laughs Festival *New Faces* showcase.

The Prime Original series follows the select group of talented comics—Rosebud Baker, Robert Dean, Kellen Erskine, Simon Gibson, MK Paulsen, Alzo Slade and Daphnique Springs—as they go through the process to audition for the *New Faces* showcase. Prime members will get unprecedented access into the exhaustive annual nationwide search and what it takes to be chosen for this exclusive showcase. The series will follow the comedians to comedy clubs, to their jobs, and to their homes, as they struggle to hone their acts. And for those select few chosen to be *New Faces*, as they prepare for a performance that could launch their careers.

New Faces is a launch pad for major comedic talent: former *New Faces* comedians featured in the docuseries include Hannibal Buress, Gary Gulman, Pete Holmes, Gabriel Iglesias, Colin Hanks and Chelsea Peretti. Comedian Cameron Esposito also appears.

Emmy-winning producer [Jimmy Fox](#) (*United Shades of America*) executive produced under his Main Event Media banner in conjunction with All3Media America. [Neil Berkeley](#) (*Gilbert, Harpington*), [Bruce Hills](#) (*Funny As Hell, Hilarity for Charity, Craig Ferguson: Tickle Fight*), [Star Price](#) (*Penn & Teller: Bullshit!, Active Shooter: America Under Fire*) and [Anton Leo](#) (*Sunnyside, Tickle Fight, The Confessional*) of Just For Laughs Media also executive produced.

The Montreal Just For Laughs Festival, which will celebrate its 37th edition in July 2019, is the world's largest and most prestigious comedy event, welcoming more than 2 million people each summer.
