Headlining at the Sony Centre for the Performing Arts:

Bill Burr (September 22 at 7:00 PM and Saturday, September 23 at 7:00 PM and 9:45 PM): Burr is one of the top comedic voices of his generation, achieving success in film and television as well as on the live stage. His *Monday Morning Podcast* is one of the most downloaded on iTunes and *F is for Family*, his hit animated Netflix series, is premiering its second season today! Burr has multiple film and television credits to his name including the Mark Wahlberg and Will Ferrell film, *Daddy's Home* and *The Heat* appearing with Melissa McCarthy and Sandra Bullock. He also received rave reviews for his role as "Kuby" on the hit AMC-TV series *Breaking Bad*. The 2014 winner of Comedian Of The Year Award from JFL, Burr is not only funny, he's unapologetic, unstoppable and undeniably brilliant.

John Mulaney (September 21 at 7:00 PM and 9:45 PM): An Emmy Award winning writer and comedian, Mulaney began his career in New York's East Village and has since toured around the world. In 2008, he began writing on *Saturday Night Live* where he appeared as a *Weekend Update* correspondent and co-created characters such as "Stefon" with Bill Hader. He released his 3rd hour stand-up special *The Comeback Kid* on Netflix, which the AV Club called "the best hour of his career." He most recently starred in the Broadway hit, "Oh, Hello on Broadway" alongside Nick Kroll and will be bringing his latest stand-up tour, "John Mulaney: Kid Gorgeous" to Toronto.

Mike Birbiglia (September 29 at 7:00 PM at the Sony Centre): Award-winning comedian and storyteller, Birbiglia has performed in front of audiences worldwide, from the Sydney Opera House to Carnegie Hall. Ali Wong (September 24 at 7:00 PM): Wong is an extremely popular comedian, actress and writer who received wide critical acclaim for her first stand-up special, *Baby Cobra*, filmed when she was seven months pregnant. Said The New York Times, "The special's arrival on Netflix is the sort of star-making moment that unites the tastes of the unlikeliest fans." With such a strong following it's easy to see why she sold out 3 shows at the Winter Garden Theatre in less than an hour and why she is one of the festival's hottest headliners. Wong is currently shooting the new sitcom *American Housewife* and is a writer on the groundbreaking *Fresh off the Boat*.

Tim and Eric (September 29 at 9:45 PM): After meeting as freshmen film students at Temple University, Tim and Eric worked together on short films and comedic content including the instant classic *Tom Goes to the Mayor*. They are currently in the second season of *Tim and Eric's Bedtime Stories* and are on the road bringing their *10 Year Anniversary Awesome Tour!* to their legions of fans across North America.

My Favorite Murder (September 30 at 9:45 PM): Unlike most podcasts, this one will raise the hairs on your arms and make you want to sleep with the lights on. After meeting at a dinner party, Karen and Georgia launched their incredibly successful podcast in 2016. Ready yourself for a murder adventure hosted by Karen Kilgariff and Georgia Hardstark, two lifelong fans of true crime stories. In each bone chilling episode the girls share their favorite tales of murder, and hear horrific hometown crime stories from friends and fans. Turn off the lights and check your fears at the door, cause Karen & Georgia are dying to discuss death. And you will be their unsuspecting victims...

Tom Segura (September 30 at 7:00 PM): Segura has an ear for comedy. When he is not performing at comedy festivals around the world or appearing on television shows such as *Conan*, *Happy Endings* and *The Late Late Show*, he is recording one of his many popular podcasts. From guest appearances on podcasts *The Joe Rogan Experience* and *WTF with Marc Maron* to the noted *Your Mom's House* which he co-hosts with his wife Christina Pazsitzky, Segura always knows how to get us laughing.
